

NIBC Direct

About NIBC

NIBC provides financial products and services to more than 700 medium-sized businesses and 400,000 consumers from its branches in The Hague, Amsterdam, Frankfurt, London and Brussels. Home loans and savings products are offered to consumers through the NIBC Direct label.

Data migration from NIBC Direct mortgages to Stater

The NIBC Direct mortgages were offered by two mortgage service providers, Quion and Stater. NIBC keeps a close eye on the costs and focuses on the customer. For that reason, only Stater was used.

Result

The data migration of the mortgage portfolio from Quion to Stater was completed in eight months. The cost advantage has been achieved and the process was simplified as well; a single party, a single portal and a single environment.
