

Argenta

Financially healthy living

About Argenta

Argenta Bank- en Verzekeringsgroep (Argenta Group) provides retail financial services for families in Belgium and the Netherlands, through Argenta Spaarbank (banking) and Argenta Assuranties (insurance).

Argenta wants to assist individuals and families in living financially healthy lives both today and in the long term. Argenta offers simple, honest and attractive mortgage lending, savings and insurance solutions that give excellent value for money.

Mortgage portfolio BPO

Argenta chose Quion as a BPO partner for the mortgage portfolio. The data migration of all existing mortgage contracts to Quion was required.

Optimised migration process delivered results

DX's migration process and tools are continuously optimised. Many projects and thousands of hours resulted in process, tools and people that delivered a 100% data migration. From the start, controls were in place to monitor real progress.
