

Vattenfall

About Vattenfall

Vattenfall - previously known as NUON - supplies energy in the Netherlands. Vattenfall supplies electricity, heat, cold and gas to about two million addresses. To homes, businesses and authorities. Their head office is located in Amsterdam. Vattenfall has a clear ambition, namely to be fossil-free within one generation.

QA partner during data migration

For a migration to Microsoft Dynamics CRM, Vattenfall was looking for a partner to safeguard QA.

Migration key facts

Quality assurance

Progress, strategy, data quality

Tooling

DX developed tooling for DQ

Audit

Pre-audit strategy

Activities and result

As a QA partner, DX provided consultancy services for the data migration strategy. DX also measured the data quality, monitored progress and determined the data migration audit plan.
